SECOND RENEWED PETITION UNDER 37 C.F.R. 1.47(b)

Pursuant to the Decision on Petition Under 37 C.F.R. 1.47(b) dated May 20, 2003, constituting a dismissal of the Renewed Petition Under 37 C.F.R. 1.47(b) submitted December 10, 2003, please reconsider the dismissal in view of the additional information set forth below.

The Decision has indicated that item (4) has not been satisfied by the declaration submitted with the Renewed Petition. The declaration was said not to meet the requirements of 37 C.F.R. 1.497(b) and 1.63(b)(2). The declaration was said to need a statement that the person making the oath or declaration believes the named inventor to be the original and first inventor of the subject matter which is claimed and for which a patent is sought (1.497(b)). The declaration was also said to need a statement that the person making the oath or declaration has reviewed and understands the contents of the application, including the claims, as amended by any amendments specifically referred to in the oath or declaration (1.63(b)(2)).

In response to the Decision, a revised Declaration and Power of Attorney is being submitted herewith. The revised Declaration and Power of Attorney contains the substance of the requirements of 37 C.F.R. 1.497(b) and 1.63(b)(2).

Respectfully submitted,
